Our Ref: SW/gdo/revguides

November 2021

Dear Parents/Guardians

Re: Revision Guides

I am writing to you to offer you the chance to purchase revision guides from the school. In many cases as a school we are able to purchase these at a reduced rate when compared to the high street.

The revision guides are not only an excellent resource to support frequent revision, but to also support students at the start of their GCSEs as a course companion. All revision guides on offer will be found on ParentPay (please note that **ALL** revision guides will be listed under your child's account, they may not necessarily need all of these depending on their GCSE option choices as well as Foundation/Higher tier subjects such as Maths and Science). Please select any guides you wish to purchase, and the school will then order them on your behalf. There is no obligation to buy these, but they are a good supporting resource.

If you wish to purchase these, please can I ask that you order them through ParentPay before Monday 6th December 2021, a text message will be sent when guides are ready to collect from East Reception after we return to school in the New Year.

As well as revision guides, the school also subscribes to GCSE Pod which is an excellent active resource that contains short videos that link directly to the exam specifications. Details of how to log in are attached. Further GCSE support resources can also be found by clicking here.

If you have any further questions regarding the purchase of revision guides, please do not hesitate to contact grace.docker@oldburywells.com / 01746 765454

Yours faithfully

Mr S Wycherley
Deputy Headteacher

ACTIVATING YOUR ACCOUNT THROUGH OFFICE 365

gcsepod
education on demand

1.

Go to GCSEPod.com and click **Login**
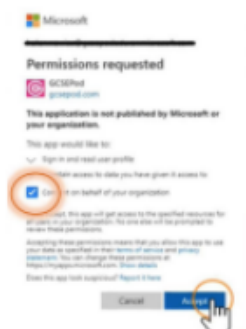

👤 LOGIN

2.

Click the sign in with **Office 365** button

▢ Sign in with Office 365
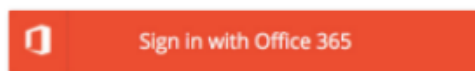

3. Tick the consent box & then click **Accept**

- Remember to use your school email address to sign in **@olburywells.com**

- You can also download the GCSE pod app to your phone or other mobile devices.

You are now logged in & ready to set your subjects
The next time you log in just repeat steps 1 & 2
