Dear Parent/Carer

Re: Congratulations and Well Done to all Year 11 & 13 students

Today and tomorrow marks the final days of formal examinations, which ends the exam window for all our Year 11 and Year 13 students. On behalf of all those across our community, I would like to congratulate every individual student for their hard work, commitment and endeavour in all they have achieved. Looking back at the impact of the COVID pandemic and all associated challenges, the resilience and determination shown by all has been a privilege to see; we are proud of every individual.

In school, we often talk about the importance of being strong role models. The approach of all our students has been a wonderful example to others, and for younger year groups provides something to strive towards. To all our leavers, on behalf of all the team, thank you for all you have done, we very much look forward to celebrating your successes on receipt of your results in the summer and supporting you into the next steps of your journey. Good luck to all!

As always in school, priorities move on very swiftly; following the formal exam series, both Year 10 & 12 now go straight into their mock examinations. Good luck to all and continue the great work. Alongside this we know that students across all year groups continue to remain focused on making the very best progress through to the end of the academic year.

At this time, there are 4 weeks until the end of the summer term. We have a busy period with many school trips and events such as sports day, primary school visits, rewards trips and much more all scheduled into the calendar. I look forward to a positive end to the academic year which will mark the close of a more 'normal' period of time in school since COVID restrictions have been lifted.

My thanks go to all our staff for their continued support, and to all families for the work they do in partnership with the school to support all our young people and enable the many opportunities in school to be successfully delivered.

Yours faithfully

Lee Trisham
