

**Monday, 15 May – Friday, 26th May: Initial Exam Period**

During this time students will follow their normal school timetable and normal school day (8:40am to 3:05pm) unless they are involved in an examination. Staff will continue to plan lessons to ensure all students are fully prepared for their particular subject. Where a subject which is mainly coursework based has been completed, students are expected to arrive prepared to undertake independent revision and should arrive at the lesson with any relevant resources to undertake this.

Throughout this time, for some subjects’ additional revision sessions for subjects will be planned for students just prior to their actual exam, this will ensure that on any given day, students will spend time directly prior to an afternoon exam with their subject teacher or subject specialist. Students will receive prior notification of when these sessions will take place and will be supported by staff each day.

In identified areas, after school revision sessions will be offered, which students are encouraged to attend.
