

**Our Ref:** DMC/kmd/y11sc-revision

5 February 2024

Dear Parent/Guardian,

**Re: Year 11 Science Revision Classes**

As the academic year progresses, we are approaching a crucial period for our Year 11 students, particularly in their preparation for the upcoming Science examinations. To support your child in achieving their full potential, we are offering Science revision classes as detailed below:

Biology Revision Classes

- Tuesday Lunchtime with Mr. Gardner-Hart
- Friday after school with Mr. Cox

Chemistry Revision Classes

- Monday after school with Mr. Pollock

Physics Revision Classes

- Wednesday Lunchtime with Mr Johnson
- Drop-in clinic Wednesday after school with Mr Johnson

These sessions are open to all Combined and Triple Year 11 students. Content specific to either course will be clearly identified.

We strongly encourage your child to attend these revision classes regularly to benefit from the targeted support provided by our experienced teachers. These sessions will focus on revising key concepts, practicing exam-style questions and honing exam techniques to boost confidence and performance in the upcoming GCSE Science examinations.

Details of all revision classes and useful exam information can also be found on our website:

<https://www.oldburywells.com/student-information/exam-information>

Thank you for your continued support in your child's academic journey. Together, we can ensure their success during this crucial period. Should you require any further information or have any queries please do not hesitate to contact me.

Yours sincerely

**Mr Daniel Cox**  
Director of Learning for Science
