If you have a gap larger than 15minutes between your appointments you may need to return to the dashboard and wait for the 'Join Video Appointment' to return.

There is a video tutorial here of each of the above steps: <u>https://youtu.be/TlfC_BAF1yg</u>

Troubleshooting:

"The user did not give permission to access your media"

This often means the internet browser is blocking access to the webcam. Look at your internet browser's web address bar and check if the video symbol is 'blocked'. If it is, unblock and refresh the web page. If this does not rectify the problem please read on. The steps depend on which web browser you're using:

iPhone/iPad = *Safari* - Close down all other apps, open Safari, open Settings from the Home screen, then choose Safari, and scroll to the Camera & Microphone Access option.

Android = Chrome – Close down all other apps, open Chrome app, settings, site settings, tap Microphone, turn on, repeat for Camera.

Android = *Firefox* – Close down all other apps, open Firefox and go to the desired site. A pop-up will display the default camera and microphone. Select a different camera/microphone if necessary. Click 'Remember this decision' and click 'Allow'. If the pop-up didn't appear press refresh. If this doesn't work, click menu, option, privacy & security, settings for camera, find the required website and allow it access, repeat this for the microphone.

Windows = Chrome - Close all other apps. Open Chrome, open settings, under Privacy and security click Site settings, click camera, review your blocked and allowed sites, make sure that Parents-Booking.co.uk is selected as 'Allow'. Repeat process for microphone.

Windows = *Firefox* – Close down all other apps, open Firefox and go to the desired site. A pop-up will display the default camera and microphone. Select a different camera/microphone if necessary. Click 'Remember this decision' and click 'Allow'. If the pop-up didn't appear press refresh. If this doesn't work, click menu, option, privacy & security, settings for camera, find the required website and allow it access, repeat this for the microphone.

Windows = *Edge* (latest version) - press the three dots in the upper right and choose Settings, press Site permissions on the left, followed by Camera and Microphone on the right. Ensure camera and microphone access isn't blocked for this website.

Mac = *Safari* – Close down any programmes using your microphone and camera. Open Safari, click preferences, click websites, find Parents-bookings.co.uk and change the option to all use of camera and microphone.

Mac = *Chrome* - Close all other apps. Open Chrome, open settings, under Privacy and security click Site settings, click camera, review your blocked and allowed sites, make sure that Parents-Booking.co.uk is selected as 'Allow'. Repeat process for microphone.

Mac = *Firefox* – Close down all other apps, open Firefox and go to the desired site. A pop-up will display the default camera and microphone. Select a different camera/microphone if necessary. Click 'Remember this decision' and click 'Allow'. If the pop-up didn't appear press refresh. If this doesn't work, click menu, option, privacy & security, settings for camera, find the required website and allow it access, repeat this for the microphone.

> We can't hear the teacher.

Check that your device is unmuted, check it is not connected wirelessly or with a cable to a speaker, check the volume is turned up. If this does not work, please return to the dashboard and click 'join video appointment again'. If this does not work check the compatibility and the trouble shooting above.

Code of Conduct for Virtual Options Evenings

As virtual options evenings are new to us, we thought it important to establish some ground rules so that all participants are following the same protocol which should ensure everyone's wellbeing.

- As in real life, your son/daughter is welcome and recommended to attend.
- Sessions are NOT to be recorded by Parents or pupils (on any device).
- During sessions, screen shots using the device or other devices are strictly NOT allowed.
- Both teachers and parents have the choice of using audio and/or video.
- Conversations should take place in appropriate rooms e.g. kitchen, lounge, study and not in a bedroom. Be conscious of background environments and others in the room.
- Videos may be muted for Parents if other distractions in the household become unsettled or cause a disruption.
- All participants should be appropriately attired as they would be for a real-life face to face meeting.
- Language must be professional and appropriate, including any family members in the background.
- Please note if you are late for the session, you can still join. Please bear in mind that sessions will finish exactly on time by the online system.
- Oldbury Wells School is often commended for the very positive, constructive relationships between staff and parents and it is important that this continues. Therefore, please note that in the extremely unlikely event of verbal abuse, staff will end the conversation and refer the matter to the Senior Leadership Team.
