Dear Parent/carer

Re: **Bridgnorth Sixth Form Provision**

As you are aware, Telford College is collaborating with Oldbury Wells and Bridgnorth Endowed schools to explore strategies for sustaining post-16 education in the local community.

Close cooperation with parents and students is vital to gauge the demand for learning programmes in the area, therefore a survey has been produced to gain families responses to ensure an offer with the most suitable subjects for the students of Bridgnorth.

If you are interested in having your input to help shape what a future local offer could look like, please complete the survey below and give your response:

### [Bridgnorth 6th Form Survey](#)

For more details about the opportunities offered at Telford College, please visit the following link: <https://www.telfordcollege.ac.uk/join-us/our-courses/>

*Survey responses will be compiled and evaluated by Telford College to determine the necessary next steps in this collaboration. No personal information will be collected or stored unless explicitly specified in the provided text.*

Yours sincerely

**Lee Tristham**  
Headteacher
