Dear Parent/Carer,

Re: Parent Voice Survey and Parent Forum

As per my letter last week, we are keen to gather the views of those from our school community and would invite parents to complete a Parent Voice Survey, which covers a range of school areas and also provides an opportunity for open feedback on the school.

Please click on the following link to access the survey: [Parent Voice Survey link](#)

We are also exploring the introduction of a parent forum to provide opportunities for parents to work more closely with the school and be involved in supporting school activity. If this is something you are interested in, can you please express an initial interest by e-mailing kate.dwane@oldburywells.com. Further details will then be sent out.

If you have any queries with regards to either the survey or the parent forum please do not hesitate to contact the school.

Yours faithfully

Lee Tristham
