

Dear Parent/Carer

**Re: Year 11 February Half Term Revision Sessions  
16-19 February 2026**

We are pleased to inform you that additional revision sessions will be available for students during the upcoming half-term break. These sessions are designed to support students with their exam preparation and to help reinforce key knowledge and skills.

Attendance is optional but is strongly encouraged, particularly for students who would benefit from extra support or structured revision time in the run up to the GCSE exams.

Further details regarding session times, locations and staff involved can be found on the next page.

If you would like your child to attend any of the sessions, please click on the link below or scan the QR code to complete the booking form:

Students should arrive promptly and bring any relevant materials with them. If your child is unable to attend after registering, please could you kindly inform the school in advance.

Students will not be required to wear school uniform to the revision sessions. Please also note the school canteen will not be open therefore students will need to bring their own drinks and snacks.

If you have any questions or would like further information, please do not hesitate to contact us.

Thank you for your continued support.

Yours faithfully
