Letter from the Headteacher

Thank you for your interest in Oldbury Wells School. I am delighted to welcome you to our thriving and successful school, a place where excellence, growth and opportunity come together

Oldbury Wells is a school where every student is known and valued. We are a co-educational secondary school with approximately 160 students in each year group. Our size strikes the right balance - providing extensive opportunities while maintaining a close knit community. This allows us to offer a rich and varied curriculum, a wide range of enrichment activities and tailored support for every learner. We have the capacity to stretch the most able and provide focused assistance to those who need it most, ensuring every student can thrive.

We are proud to offer a high-quality education that is both traditional in its values and forward-thinking in its approach. Our students benefit from a broad and balanced curriculum, enriched by a wide range of extra-curricular activities, trips and visits that help bring learning to life..

With a growing array of partnerships with outstanding institutions - such as Eton College (Windsor), Performers College (Birmingham) and the Royal Air Force - we provide students with unique opportunities that broaden horizons, build character and inspire excellence both inside and beyond the classroom.

Students are encouraged to explore their interests and discover future pathways from an early stage, supported by specialist teachers with deep subject expertise. This enables us to deliver a high-quality academic education in which students flourish.

Oldbury Wells is part of a flourishing academy and the founding school of the TrustEd Schools Partnership which currently comprises five secondary and four primary schools. All our partner schools work closely together to support professional development opportunities which ensure all members of the team are able to develop within their role. At the centre of our work is quality and inclusive education for students of all abilities.

We are located just 20 minutes from the West Midlands conurbation where we enjoy a small town location in Bridgnorth within easy reach of the Birmingham and Telford areas.

At Oldbury Wells, we aim to inspire every child to achieve their very best, promoting hard work, enjoyment and a love of learning within a nurturing environment. Our core values - **Aspire, Enjoy, Achieve** - are woven throughout our school culture and we look forward to welcoming you and sharing all that Oldbury Wells School has to offer.

Mr Adam Walker
Headteacher

Our Vision and Values

Our School is alive with learning, ensuring everyone continually improves to be the best they can be while developing individual interests and talents.

We aim for all our young people to further gain in confidence and **ASPIRE** to make the best progress in all they do within a safe, caring and supportive environment. Our school has high expectations and high levels of achievement and ensures **ENJOYMENT** is at the heart of all our work.

We provide high quality experiences through an exciting curriculum and extensive wider opportunities, ensuring our school is a great place to be and a great place to learn.

We are relentless in celebrating everyone's **ACHIEVEMENT** in all aspects of their academic and personal development, ensuring each student is fully prepared to move forward when taking their place in today's diverse society.

We value our traditions and encourage our students to have the highest expectations of themselves and others; our dedicated staff work in support of every individual to help them achieve their ambitions.

Our Ethos is built around three core principles - **ASPIRE**, **ENJOY**, **ACHIEVE** which are promoted through what we call the **Oldbury Wells Way**.

Introducing our Trust

TrustEd Schools is a family of nine schools: four serving the area around the market town of Bridgnorth, two around Church Stretton and three around Shrewsbury.

Oldbury Wells School is the founding school in our Trust, founded in Summer 2015; **Alveley Primary School** joined the Trust as a sponsored school in 2016. Since this time the school has gone from strength to strength and it secured one of the very first Ofsted 'good' judgments under the new framework. **St Leonards CE Primary School** joined us in 2016 at which point the Trust changed its status and we became 'mixed MAT'. This means we can have both secular and Church of England schools in our family and our MAT now has a Church of England Articles of Association. We are proud of this inclusivity, and we cherish this variety. **Castlefields Primary School** also joined the family of schools in 2016. **Church Stretton Secondary School** joined us in 2019 along with **Stokesay Primary School**, situated nearby in Craven Arms. Stokesay was also a sponsored school, but is now a very strong school, with a good Ofsted judgement and they enjoy top place in the Shropshire Performance Tables for progress. In 2022 **Meole Brace Secondary School**, **Belvidere Secondary School**, and **Mary Webb Secondary School** joined our Trust.

Our Governance has two tiers. The Trust Board (and its committees) has the overarching responsibility for governance of the Trust and each school. Each school also has delegated powers to their Local Governing Body. Our Headteachers report to three groups: the Executive Team (led by the CEO), our Trust Board (Chair is Mark Anderson) and their own Local Governing Body. At the present time, Belvidere's LGB is supported by the Trust.

As a Trust we support our schools with a helpful suite of central services which has its offices at Oldbury Wells, Bridgnorth. The team consists of Sarah Godden (CEO), Jo Evans (Deputy CEO, Director of Education and School Improvement), John Parr (Deputy Director of School Improvement) and Gwyneth Evans (Director of Finance), along with a central admin team who all support in the core aspects such as finance, HR, and premises. Each Headteacher retains leadership and responsibility for these areas but is supported in these tasks by the trust. As a result of this approach all our schools continue to develop and improve under their Headteacher's leadership, and each enjoys healthy finances. HR is run through our Trust, as the employer of all staff our schools, including of course Headteachers.

Our schools are also supported by a central service for education and governance. Sarah Godden, supported by Nicky Murray who is our Trust's Clerk, leads this joint work. We employ a School Improvement Advisor and three of our Team are Ofsted inspectors, which is most helpful. We work in a consistent way on several key education processes, such as Ofsted preparation and improvement planning. Each headteacher retains leadership and responsibility for education in their schools and as a result each school continues to retain their uniqueness.

Vacancy: Teacher of Design and Technology

Salary	MPS / UPS (plus potential TLR for appropriately experienced candidate)
Contract Term	Permanent
Contract Type	Full time / FTE 1.0
Start Date	September 2026

We are seeking to employ an inspiring and enthusiastic Teacher of Design and Technology, with a specialism in Resistant Materials, to teach across the ability range and support students across all key stages. The vacancy is an ideal opportunity for an experienced candidate or an Early Career Teacher (ECT) to join an established team who can provide significant support at all stages of career development. This position may include a TLR for the appropriately experience candidate.

We are looking for candidates who will bring additional experience to a well-established team, who will actively promote and understand what makes Oldbury Wells such an effective school and who appreciates and promotes our inclusive school ethos. In return, we offer a school which is a great place to be and a great place to learn, where students **Enjoy, Aspire** and **Achieve** within all elements of their academic and personal development.

The subject area of Design and Technology sits within the Creative Arts Faculty with 9 members of staff, including the Director of Learning, Liz Bell. The cluster consists of:

- Art
- Business Studies
- Drama
- Food and Nutrition
- Resistant Materials
- Textiles
- Music

Each area has at least one subject specialist and D&T and Music have subject leads that oversee the development, implementation and tracking of the subject area. There are strong links between the teaching staff enabling the sharing of good practice. This post would provide a good support system for either an experienced Teacher in Design and Technology or an ECT.

The Creative Arts has always played an important part in the curriculum, delivering the skills and opportunities to allow our students to prepare for further education and the world of work. At Oldbury Wells School we are passionate about educating pupils of all abilities to achieve these goals.
