Dear Parents / Carers

Re: School Uniform

We hope that you and your families have been coping well during the current heatwave and that everyone has managed to stay safe and comfortable during this period of exceptionally hot weather. As I identified in my previous correspondence, your children have been brilliant. A big well done everyone, especially Year 10 for completing their mock exams so maturely – the invigilators identified the year group had been superb.

As temperatures are forecast to return to more seasonal levels and conditions are expected to become cooler next week, we would like to remind all students that they are expected to return to school wearing full school uniform, as outlined in the school uniform policy.

We would also like to take this opportunity to remind families of our expectations regarding jewellery and appearance - jewellery is not allowed apart from one plain gold or silver stud in each ear; other facial piercings are not permitted in school; hair should also be of a natural colour; school shoes should be black polishable with no visible branding.

Maintaining high standards of uniform and presentation contributes positively to our school environment and reflects the pride our students take in being members of our school community.

We appreciate your continued support in ensuring that students arrive at school correctly dressed, equipped and ready to learn each day.

Yours faithfully

Adam Walker
Headteacher
